Artist Brief for Submissions

Friday 10 March 2023 Call for Entries opens at 16:00

Monday 10 April 2023 Call for Entries closes at Midnight

We are extremely grateful to 4C Group for their investment, through their generous support of the UKNA 4C Group Bursary which allows UKNA to provide ongoing support as part of our commitment to longer-term development for our UKNA Alumni.

Over the course of one year 2023/2024, the selected artist will:

- Receive a bursary of £10,000 to fund the development of their practice
- Access to knowledge and support from the UKNA team and our wider family, friends and partners
- A place on the New Artist Collective/Derby 2024
- The awardee will also enjoy opportunities to engage with Canopy by Hilton London City during the year through presentations and residencies as appropriate to the work

What are we looking for?

The opportunity is open to UK based UKNA / UKYA Alumni who consider themselves at a turning point in their career. UKNA and 4C Group recognises the difficulties faced by those who would struggle to further their career without support. You may feel that you have faced difficulties due to social, cultural, economic or access conditions. We will be assessing using the following criteria:

- How well you outline why and how this opportunity is crucial to your artistic and professional development
- How being awarded a bursary and being part of the New Artist Collective will impact change for you
- You have demonstrated promise in your discipline
- You possess a strong voice, skill and ambition in your practice

Eligibility

- Artists must be within the first 10 years of their professional practice
- Artists from all art forms can apply
- You must be eligible to live, study or work in the UK and be doing so at the time of making this application
- Individuals, collaborators and or collectives can apply
- You are a UK based UKNA / UKYA Alumni (we consider this to be those who have been selected for any UK New Artists or UK Young Artists programme from 2014 to present)

“Being awarded this bursary has had a hugely positive impact on my career, it has allowed me to take the next steps in my practice, particularly with the investment in a studio which gives me the freedom to fully explore and develop my creativity” Wesley George UKNA 4C Group Bursary artist 2022 / 2023
